Tyria

INTERNSHIP COMPLETION CERTIFICATE

Date: 30-July-2026

This is to certify that **Mr. Anshuman Singh Tomar**, a student of **B.Tech (Computer Science) at Amity University, Gwalior, Madhya Pradesh**, has completed his internship with **Tyria India Private Limited** in the capacity of **Full Stack AI Engineer Intern**.

His internship commenced on **08 May 2026** and provided him with practical exposure to software development, Artificial Intelligence development, product engineering, and technology operations. During his internship, he was involved in learning and contributing to technical activities related to software development and AI-driven product initiatives.

During the course of the internship, his areas of work and learning included **AI model integration, prompt engineering, LLM-based feature implementation, workflow automation, feature development and enhancement, testing, debugging, documentation, deployment activities, product research and experimentation, as well as participation in technical discussions and code reviews**.

Throughout the internship, Anshuman demonstrated a willingness to learn, adapt to technical requirements, and develop his understanding of modern software and AI engineering practices. He approached assigned responsibilities with professionalism and maintained a positive attitude toward learning and technical development.

We appreciate his efforts and contribution during the internship and wish him continued success in his academic and professional career.
